Whereas, the County of El Paso, Texas (“County”) has studied the need for expanded transportation services within the rural areas of the County;

Whereas, the County has secured federal funding in order to begin the work necessary to create a regional multimodal transportation system in the urban areas of the County;

Whereas, on December 7, 2020, the El Paso County, Texas Commissioner’s Court approved the creation of the El Paso Area Transportation Service, LGC (“EPATS”);

Whereas, the County has invited the City of San Elizario to participate in EPATS and the Mayor and City Council has determined that it will be of benefit to the residents of the City of San Elizario to do so;
